Ultra DrumTruck®

Drum Handling, Dispensing and Containment in One Unit

NEW!

- Rugged polyethylene construction offers excellent chemical resistance.
- Large containment sump (66 gallons) meets EPA Containment Regulations.
- Unlike alternative products, the open containment sump does not require spills to flow inside the double walls to meet EPA regulations — easy to clean; eliminates residue concerns as related to compatibility.
- Can be used with 55- or 30-gallon drums — nylon strap keeps drums secure.
- Ergonomically designed for safe and easy handling.
- Large 10" wheels roll easily over shop and factory floors.
