

Unique, "Living Hinge" Design Allows Hands-Free Drive In/Drive Out — No Need To Manually Raise Or Lower The Endwalls

Part# 8506

Two-way "living hinge" design allows convenient, hands-free drive in/drive out.

- Entry and exit walls are supported every 12" with a patented "living hinge".
- Once a vehicle has entered or exited, the walls automatically spring back to their vertical position.
- Both long sidewalls are held upright by PVC sidewall assemblies. Simply swivel the feet to lower the sidewalls for storage or transport to another location.

PVC sidewall assemblies can be easily lowered and raised.

Drive-in/drive-out endwalls teamed up with Collapsible sidewalls offer the Ultimate combination — "Hands Free" convenience and an affordable design!

Standard material of construction is Copolymer 2000™. XR5, polyurethane and other materials also available.

Custom sizes available.

ULTRA-CONTAINMENT BERMS, ULTIMATE MODEL			
Dimensions	Part #	Weight	Containment Capacity
12' x 60' x 1'	8505	309 lbs.	5,385 gallons
15' x 50' x 1'	8506	326 lbs.	5,610 gallons
15' x 66' x 1'	8507	405 lbs.	7,405 gallons
